The Chair called the meeting to order at 10:00 a.m. The Agenda for the today's meeting was accepted with no additions. The minutes of November 17th and 18th, 2003 were accepted and approved with no corrections.

Legislative session commenced this week and the Electrical/Boiler Board letter of proposal has not been sent to the legislature. It is being followed on the legislative website.

Changes were being discussed regarding the Board of Boiler Rules bylaws and the RCW/WAC's. The focus will be on specific rules that need work including a new WAC for Miniature Hobby Boilers, specifically looking at standards for construction and welded repairs.

The assignments for making changes to the following rules (WAC's) are as follows:

- Steve Bacon – 001, 100, 102 and 520
- Faye Dietz – 050 and 405
- Ken Eshleman – 010 and 300
- Craig Hopkins – 502
- Jim Olszewski – 700
- The entire board will need to take on hobby boilers and Mr. Marvin will get the board members information on Hobby Boilers.

There is a jurisdictional issue in Appendix C that will need to be reviewed by the NBIC regarding historical boilers. Mr. Leet, City of Seattle, is asking to consider the ASME for establishing historical sites.

Each board member will make comments on making changes to the WAC's and sent to Mr. Marvin in a draft form, but can not be posted on the Department of Labor and Industries' website until our next meeting in March.

Change to the Board of Boiler Rules Bylaws, each member will make their comments and any language changes will be sent to Mr. Marvin.

Department Notes – minutes are now posted on the department's website and we have a new web address www.lni.wa.gov/tradeslicensing/boilers.

The next meeting will be held at the Labor and Industries office in Tacoma at 950 Broadway, Ste. 200, on March 15th and 16th, 2004. Directions are located on our website at www.lni.wa.gov/tradeslicensing/boilers/calendars.

The September meeting is the official voting on acceptance of the WAC changes. The board would like to see final corrections by May 2004.

There was no new business.

A motion was made, seconded and unanimously passed at 11:00 a.m. to adjourn.

Respectfully Submitted,

Robb Marvin
Secretary
Board of Boiler Rules
